- Titusville Historical Society
- Titusville Renaissance, Inc.
- Venango County Historical Society
- Venango Museum of Art, Science & Industry

## 2019 Oil Heritage Region Historic Preservation Awards Nomination Form

### The Oil Heritage Region Historic Preservation Awards Program:

- ◆ Recognizes projects that represent the appropriate standards of preservation, restoration, and rehabilitation.
- ◆ Acknowledges individuals and groups for initiatives, services, or commitment to the preservation of historic structures.
- ◆ Creates an advocacy for historic preservation through a greater public awareness of the built environment.
- ◆ Enhances a region-wide preservation ethic in both the public and private sectors.

## Nomination Form & Rules

The nomination form is on the back of this brochure. Anyone is eligible to submit a nomination for consideration.

### Nominations are due March 29, 2019

Any individuals and structures in the Oil Heritage Region are eligible. This includes all of Venango County, the City of Titusville, the Borough of Hydetown, and Oil Creek Township in Crawford County.

Eligible structures include commercial, residential, industrial, public, religious, and other properties.

Buildings must be at least 50 years old. They need not qualify for the "National Register," but must be of recognized historical or architectural value.

Interior work in public buildings and/or exterior work is eligible.

Once a property has received a Historic Preservation Award, it is not eligible to receive another award for five years.

Additional information and a list of previous award winners are available at [http://www.nha.lr-dev.com/oil\\_region\\_national\\_heritage\\_area/historic\\_preservation\\_awards](http://www.nha.lr-dev.com/oil_region_national_heritage_area/historic_preservation_awards)

## Awards are Classified in These Categories:

### **Adaptive Reuse**

A process that adapts buildings for new uses while retaining their key historic features.

### **Enhancement**

Restoration and/or rehabilitation of historic building elements and appropriate application of colors, materials, and other amenities.

### **Preservation Education/Initiative**

Service or commitment by a group, an individual, or business, that promotes preservation education or the preservation of the built environment.

### **Preservation Stewardship**

Sensitive long-term care of a historic structure.

### **Reconstruction**

Restoration or substantial rehabilitation of a historic building.

### **Residence**

Restoration or rehabilitation of historic single or multi-family residences.

### **Structure**

Restoration or rehabilitation of a historic resource that is not a building. Example: bridges, fountains, gardens, statues, etc.

Nominations will be reviewed by a panel of judges comprised of representatives from the sponsor organizations.

Award winners will be announced in April and recognized during an award ceremony on Thursday, May 16, 2019 at the First Baptist Church in Franklin (more details to follow). May is nationally recognized as Preservation Month.
