What is "Main Street"?

The Oil City Main Street Program is a volunteer-driven initiative focused on revitalizing the central business district (C2 zoned areas) of Oil City. Since our program began in fall 2011, we have welcomed over 25 new businesses, and over \$287,000 in downtown storefront improvements and fostered \$12.8 million in reinvestment across the district. Our program follows the Main Street Four Point Approach® and is accredited by Main Street America. The Oil City Main Street Program is supported by the City of Oil City, the Elizabeth S. Black and Edith C. Justus Charitable Trusts, the Oil Region Alliance, and many businesses, organizations and individuals.

Our Mission is to make Oil City's downtown business district attractive and vibrant, providing a foundation for the healthy growth and success of current and future businesses and residents. Our downtown will become a regional destination for visitors to enjoy the arts, recreation and entertainment by leveraging our rich heritage and natural resources.
